

A Guide to GotSoccer's Schedule Page

This guide will introduce you to some of the available features of GotSoccer's schedule page for our league. Feel free to pass it on to anyone you feel will benefit from it, whether it be scheduler, coaches, team managers, etc.

1. A link will be up on the SCSL website eventually, but for now, one can simply use the link here to get to the SCSL GotSoccer Schedule page. <http://events.gotsport.com/events/default.aspx?EventID=22996>
2. You should see the page shown below.

The screenshot displays a web browser window with the URL <http://events.gotsport.com/events/default.aspx?EventID=22996>. The page features the South Coast Soccer League logo and a navigation menu with 'Main Menu', 'Event Fields', and 'Contact'. The main content area is organized into sections for 'Mens Groups', 'Womens Groups', and 'Boys Groups'. Each section contains a grid of age groups (U18, U19, U8, U9, U10, U11, U12, U13, U14, U15, U16) and their respective divisions. For each division, there are three navigation links: 'Full Schedule', 'All Standings', and 'Results'. Red circles highlight the 'Schedule', 'Standings', and 'Results' links for the 'U18 Boys Division I' and 'U19 Boys Division I' sections. Red lines point from the labels 'Schedule', 'Standings', and 'Scores' on the left to these highlighted links.

3. As you can see from the above picture, each age group is shown with each division. For each division you can select Schedule, Standings, Scores.
4. If you click on the Standings link you will see the page shown below.

The screenshot shows a web browser window with the URL <http://events.gotSPORT.com/events/re>. The browser tabs include 'GotSport | Director Login | Login', 'Group Standings', and 'League Scheduling'. The page header features the 'South Coast Soccer League' logo and a navigation menu with 'Main Menu', 'Event Fields', and 'Contact'.

The main content area displays the following information:
